**MIRACLES FOR KIDS, PERRICONE JUICES AND THE LOS ANGELES ANGELS
TEAM UP FOR THE 2nd ANNUAL HOME RUNS FOR KIDS PROGRAM**

Premium craft juice company, Perricone Juices, will donate \$250 for every Angels home run this season to critically-children and their families in need

Tustin, Calif., (April 18, 2019) – Miracles for Kids, an Orange County-based nonprofit organization benefiting critically-ill children and their families in need by providing financial and emotional support, has partnered with one of the nation’s leading premium craft juice companies – Perricone Juices and Angels Baseball for the 2nd Annual Home Runs for Kids Program. Through this exciting program, Perricone Juices will be donating \$250 to Miracles for Kids for EVERY home run the Angels hit this season!

“We are incredibly thankful for this partnership and for the continued generosity of both Perricone Juices and the Los Angeles Angels of Anaheim,” states Autumn Strier, Co-Founder and CEO of Miracles for Kids. “The Home Runs for Kids Program has made a significant difference in the lives of our families facing unimaginable obstacles who truly need our support. With the help of this partnership, we look forward to changing even more lives this season.”

Last year’s Home Runs for Kids Program resulted in a total of \$50,000 donated by Perricone Juices which directly benefitted Miracles for Kids and their patient families. Perricone Juices has remained a longtime supporter and advocate of the organization. Joe Perricone, Chairman of Perricone Juices, was named the Miracle Maker Honoree at the 2018 Night of Miracles Gala. The Southern California-based company is also headed by Bob Rovzar, CEO & Partner, who serves on the Board of Directors of Miracles for Kids. The company is a major contributor serving as a lead sponsor for Miracles for Kids’ 2019 Golf Invitational and playing a large role in the creation of Miracle Manor, Miracles for Kids’ multi-unit apartment community that provides subsidized housing to the families they serve.

“Miracles for Kids and its mission has been near and dear to myself and the whole Perricone Juices Family for quite some time,” says Perricone. “We look forward to the Home Run for Kids

Program every year and feel so fortunate to be able to offer these critically-ill children and their families the support they so desperately need.”

The Los Angeles Angels are having a strong season thus far. They have made a total of 14 home runs to date – which is great news for not only the team and its fans, but also for Miracles for Kids and the families they serve.

"We are proud to be partnering with Miracles for Kids and our friends at Perricone Juices again this season," notes Dennis Kuhl, Chairman of Angels Baseball. "This partnership allows us to better serve the families and children in our community while also providing our players a rewarding reason to really give it their all."

The final day of the 2019 regular season is on Sunday, September 29. At that time, based on the final count of home runs by the Angels, Perricone Juices will present Miracles for Kids with a check to benefit the families supported by the organization.

More About Miracles for Kids

Miracles for Kids is one of the only organizations on the West Coast providing monthly financial assistance, subsidized housing, mental health services and wellness activities to families with a critically-ill child. The services help to create stability when families are crumbling from the financial and emotional devastation of fighting for their child's life. Founded in 2002, Miracles for Kids has a main office in Tustin, CA and a subsidized housing complex, Miracle Manor, in Orange, CA. To learn more about how Miracles for Kids has joined forces with parents and loved ones, visit www.miraclesforkids.org.

More About Perricone Farms

Perricone Farms is a 3rd generation, family-owned grower and manufacturer of premium craft juice. As the largest one of its kind in the Western U.S., they maintain old fashioned values, a deep commitment to quality and honest-to-goodness farm to table freshness dating back over 78 years. It started back in 1935 when 15-year-old Sam Perricone went to work to support his family, and by the late 1940s the Sam Perricone Citrus Co. Inc. was already the nation's largest wholesale distributor of oranges, lemons, tangerines and grapefruit. Today, they are one of the nation's premier citrus growers and a marketplace leader.
