## BEST EVER FUNDRAISER SHATTERS RECORD AT MIRACLES FOR KIDS

BY ADMIN OCTOBER 20, 2020

PLAUDITS

*Miracles for Kids step up fundraising efforts to serve critically-ill children and their families in the face of challenges and increased need during the pandemic.*

2019 Miracle for Kids 'Night of Miracles'

Miracles for Kids hosted its annual Night of Miracles event last October to raise funds to support families with critically-ill children in Orange County and Southern California. The COVID-19 pandemic has dramatically increased the challenges of safety in immunocompromised children and, in many cases, negatively impacting their parents' ability to support their families financially. Thanks to generous corporate sponsors and donors — including the event's Presenting Sponsor Xponential Fitness — Miracles for Kids raised a record-breaking \$1.81 million to ensure these families get the support they need, financially and emotionally, during this challenging time.

The Night of Miracles event took place in a hybrid virtual and live format, including an online silent auction. Lead Sponsors include; Duke Spirits, La Adelita Tequila, and David August.

"Our 2020 Night of Miracles was groundbreaking in many ways, from the innovative hybrid format to the record amount raised that will ensure we meet the historic level of need we're seeing in the face of the pandemic," commented Autumn Strier, Co-Founder and CEO of Miracles for Kids.
