LA-OC rent hikes sink to 8-year low

The pandemic’s economic damage has slammed low-paying retail workers — a primary employment niche for rent- ers. The region’s landlords, in turn, have struggled to collect rent and have turned to discount rates to keep apartment units filled. According to the Bureau of Labor Statistics’ CPI, rents have been forced to discount rates to keep apartment units filled.

The coat drive has collected some 2.3 million coats are kept within that retail store.
