INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Miracles for Kids

We have audited the accompanying consolidated financial statements of Miracles for Kids (a nonprofit organization) and affiliates. which comprise the consolidated statement of financial position as of December 31, 2016, and the related consolidated statement of activities, functional expenses and cash flow for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the 2016 consolidated financial statements referred to above present fairly, in all material respects, the financial position of Miracles for Kids and affiliates as of December 31, 2016, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Consolidating Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information on page 18 and 19 is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of operation and cash flows of the individual companies, and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated in all material aspects in relation to the consolidated financial statements as a whole.

Adjustments to Prior Period Financial Statements

The financial statements of Miracles for Kids as of December 31, 2015, were audited by other auditors whose report dated March 9, 2016, expressed an unmodified opinion on those statements. As discussed in Note XI, the Company has restated its 2015 financial statements during the current year to account for correction of errors, in accordance with accounting principles generally accepted in the United States of America. The other auditors reported on the 2015 financial statements before the restatement.

As part of our audit of the 2016 financial statements, we also audited adjustments described in Note XI that were applied to restate the 2015 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 2015 financial statements of the Organization other than with respect to the adjustments and, accordingly, we do not express an opinion or any form of assurance on the 2015 financial statements as a whole.

I. NATURE OF OPERATIONS

Miracles for Kids (Miracles) is one of the only organizations on the West Coast providing monthly financial assistance and subsidized housing to families who are fighting for their child's life. A recent Harvard study concluded that the number one reason people go bankrupt is medical bills, even though 72% of families filing for bankruptcy had major medical insurance.

Miracles for Kids helps critically ill children and their families stay strong and together, by keeping the lights on and a roof over their heads during the most emotionally excruciating time in their lives. Based in Southern California, the organization was founded in 2002, incorporated in California as a nonprofit corporation and continues to expand its reach by serving children receiving treatment at leading hospitals: CHOC Children's in Orange, Children's Hospital Los Angeles and Mattel Children's Hospital UCLA. In 2017 the organization will expand to include a partnership with Benioff Children's Hospital, Oakland.

The Organization has four core programs:

- 1. Paying the Bills monthly financial assistance to help families pay for rent, utilities, car loans, medical insurance, groceries, transportation and other basic needs
- 2. Housing subsidized housing at Miracle Manor (less than a mile from CHOC) for twelve families at a time for up to two years
- 3. Healing weekly therapy sessions for siblings and caretakers aimed at reducing anxiety and depression
- 4. Feeding & Clothing ongoing provision of clothing, food and other household items

Although more than two thirds of the children Miracles helps have been diagnosed with cancer, the remaining one third have blood based diseases and rare orphan conditions where few if any support services are available.

In 2016, Miracles for Kids provided the following:

- Monthly financial assistance to 146 families
- Stable subsidized housing at Miracle Manor for 12 families (54 individuals)
- Surf and paddle camp for 80 kids
- Basic needs assistance for 249 families

The Organization advances its mission through the leadership of the Co-Founder & CEO, Autumn Strier and a team of twelve employees. Miracles enjoys an outpouring of community support from volunteers and donors. All revenue is generated through

events, private philanthropic gifts and grants. Both the Orange County and Los Angeles Boards are actively engaged in fundraising.

Miracle Manor, LLC (Subsidiary), which was formed on December 18, 2014, the date the certificate of formation was filed with the California Secretary of State in accordance with the California Limited Liability Company Act, acts like a holding company for certain property which Miracles uses for client transitional housing. Miracles is the sole member of the Subsidiary.

Miracles for Kids and Miracle Manor, LLC (Miracle Manor) are collectively the "Organization".

II. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, as applicable.

Consolidation

The consolidated financial statements include the accounts of Miracles and Miracle Manor, LLC. All significant intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents. The Organization did not have any cash equivalents as of December 31, 2016 and 2015.

Concentration of Credit Risk

The Organization maintains cash balances at several national and state financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The Organization has not experienced any losses in such accounts and does not believe that it is exposed to any significant credit risk on cash.

Property and Equipment

The Organization capitalizes property and equipment over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method over estimated useful lives ranging from five to fifteen years.

<u>Impairment of Long-Lived Assets</u>

The Organization evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. If the estimated future cash flows (undiscounted and without interest charges) from the use of an asset are less than the carrying value, a write-down would be recorded to reduce the related asset to its estimated fair value.

Restricted and Unrestricted Revenue and Support

The Organization follows ASC 958-605, Revenue Recognition for Not-for-Profit Entities. In accordance with ASC 958-605, contributions received are recorded as unrestricted, temporality restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Donated Supplies, Facilities and Services

Donated noncash assets, such as use of facilities and supplies, are recorded at their fair values in the period received. Donations of services are recognized in the financial statements if the services received: (1) create or enhance nonfinancial assets or require specialized skills; (2) are provided by individuals possessing those skills; and (3) would typically need to be purchased if not provided by donation. Other volunteer services that do not meet these criteria are not recognized in the financial statements as there is no objective basis for deriving their value.

Donated services of \$1,760 and \$64,292 for the years ended December 31, 2016 and 2015, respectively, have been recorded as both revenues and program expenses and represent the approximate fair value of construction contractors and other specialized skills provided by individuals possessing these skills, and would typically need to be purchased if not provided.

Donated supplies and services of \$1,250,354 and \$289,316 for the years ended December 31, 2016 and 2015, respectively, consists primarily of apartment and leasehold improvements on the Miracle Manor apartment building located in Orange, CA and were recognized as revenue and as an asset which will be depreciated over their estimated useful lives.

Fair Value Measurements

The Organization's financial instruments, including cash and cash equivalents, accounts receivable, and accounts payable are carried at cost, which approximates fair value because of the short-term nature of these instruments.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restriction expires in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified as unrestricted net assets.

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of future cash flows. The discounts on those amounts are recorded using risk-free interest rates applicable to those years in which the promises are received. Amortization of the discounts is included in contribution revenue.

The Organization uses the allowance method to determine uncollectible promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made. There was no allowance as of December 31, 2016 and 2015.

Pledges Payable

Pledges to other organizations are recognized when the Organization makes a promise to give that is, in substance, unconditional. Such pledges that are authorized but unpaid as of the end of the year are recognized as liabilities. Unconditional promises to give that are expected to be paid in more than one year are recorded at the present value of the future cash flows. The discounts on those amounts are recorded using risk-free interest rates applicable to those years in which the promises are received.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code. The Organization follows the accounting standards for contingencies in evaluating uncertain tax positions. This guidance prescribes recognition threshold principles for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized. No liability has been recognized by the Organization for uncertain tax positions as of December 31, 2016 and 2015. The Organization's tax

returns for years 2015, 2014 and 2013 are subject to review and examination by federal and state authorities. Any interest and penalties would be included in income tax expense on the statements of activities.

Reclassifications

Certain accounts in the prior year consolidated financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

Recent Accounting Pronouncements

In August 2016, FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities.* The new guidance improves and simplifies the current net asset classification requirements and information presented in financial statements and notes that is useful in assessing a not-for-profit's liquidity, financial performance and cash flows. ASU 2016-14 is effective for fiscal years beginning after December 15, 2017, with early adoption permitted. ASU 2016-14 is to be applied retroactively with transition provisions. The Organization is assessing the impact this standard will have on its financial statements.

III. PROPERTY AND EQUIPMENT

Property and equipment as of December 31 are as follows:

	2016	2015

V. PLEDGE RECEIVABLE – RELATED PARTY

During September 2012, the Organization received a pledge for \$600,000 from Personalcare Physicians to secure naming rights on behalf of the Organization, as well as, for use for programs and events in support of patients and their families at CHOC Children's Miracles for Kids Family Resource Center. A board member of the Organization is the Chief Executive Officer of Personalcare Physicians. The terms of the pledge require equal monthly payments over ten years beginning in April 2013. The Organization applied a discount rate of 3.25 percent per year based on the Wall Street Journal Prime Rate at the date of the pledge.

Future pledge receivables to be collected are as follows:

Year Ending December 31,		 Amount
2017 2018 2019 2020		\$ 60,000 60,000 60,000 60,000

Less discount		513,333 (56,799)
	Total	\$ 456,534

VI. LINE OF CREDIT

During April 2015, the Organization renewed its line of credit with a financial institution for up to \$500,000 and matures in December 2017. The line of credit bears a variable interest rate based on the bank prime rate (3.75 % and 3.50% at December 31, 2016 and 2015, respectively). The line of credit requires monthly minimum payments on interest incurred and requires payment of all outstanding balances upon maturity. The line of credit is secured by the Organization's assets. The balance outstanding was \$499,896 as of December 31, 2016 and 2015.

VII. PLEDGE PAYABLE

During September 2012, the Organization pledged \$600,000 to the CHOC Children's Foundation to fund certain special events and marketing campaigns of the CHOC Children's Miracles for Kids Family Resource Center in the CHOC Children's Patient Tower. The pledge is to be paid in equal installments over eight or more years. The Organization applied a discount rate of 3.25 percent per year based on the Wall Street Journal Prime Rate at the date of the pledge.

Future pledge commitments are as follows:

Year Ending		
December 31,		Amount

VIII. LONG TERM DEBT

During April 2015, the Organization entered into a mortgage note payable to a bank collateralized by a deed of trust on the land and building it purchased. The note bears interest at 4.26% per annum and is payable in monthly installments of approximately \$12,700 with final payment due in December 2019. The total principal amount

outstanding on the note as of December 31, 2015 was \$2,281,528. In July 2016, the mortgage payable was paid and a new mortgage financed.

During June 2016, the Organization entered into a refinanced mortgage note payable to a bank collateralized by a deed of trust on the land and building it purchased. The note bears interest at 3.30% per annum and is payable in monthly installments of approximately \$11,858 with final payment due in July 2046. The total principal amount outstanding on the note as of December 31, 2016 was \$2,685,318.

During June 2016, the Organization entered into a second mortgage note payable to a bank collateralized by a deed of trust on the land and building it purchased. The note bears interest at 5% per annum and is payable in monthly installments of interest with all accrued interest and principal due in July 2018. The total principal amount outstanding on the note as of December 31, 2016 was \$307,500.

In 2016, the Organization adopted the requirements in FASB ASC 835-30 to present debt issuance costs as a reduction of the carrying amount of the debt rather than as an asset. Amortization of debt issuance costs is reported as interest expense in the statement of functional expenses. The unamortized debt issuance costs as of December 31, 2016 is \$13,205.

Aggregate annual principal maturities of long term debt as of December 31, 2016, are as follows:

_	Amount
