What Is a Corporate Partner?

Our [Miracles for Kids Corporate Partners](#) are more than just companies doing good – you are change makers! Each of you have committed your business to making an impact on our mission to provide stability to low-income families with critically-ill children through a minimum of three distinct areas of support:

- Sponsorships
- Recurring Contributions
- In-Kind Donations
- Volunteering
- Corporate Matching
- Custom Partnerships

Corporate Partner Spotlight!

We are grateful to the incredible Corporate Partners we have at Miracles for Kids. This quarter we were proud to recognize our family-owned Corporate Partners in the May 1st issue of the Orange County Business Journal.

In our article we shared the story of the families behind TRAFFIK, Soul Community Planet, Ashmore Construction, and Javier's, and the unique ways their companies make a difference in the lives of the families we serve.

To read our article and learn more about the leadership and service that the Trimino, Cruse, Ashmore, and Sosa families provide to our cause, please click the button below.
