## **SCP HOTEL LAUNCHES *EVERY STAY DOES GOOD***

**Guests Measurably Impact the World Around Them for Good With Each Stay;  
Benefits WE Well-Being, Miracles For Kids and One Tree Planted**

**SAN JUAN CAPISTRANO, Calif., February 12, 2021** – SCP Hotels today launched *Every Stay Does Good*, driving measurable positive impacts to the world every time a guest checks in for a stay. Through the new program, every guest choosing to stay at an SCP Hotel will enable the following positive impacts to the world around us:

- **SOUL** – *Provide four months* of [WE Well-being](#) lessons, tools and resources to one youth and their family to help build life-long skills that promote mental well-being;
- **COMMUNITY** – Light the home of *one family caring for a critically ill child* for 24-hours through [Miracles For Kids](#); and
- **PLANET** – *Plant one tree* in an unnaturally deforested area through [One Tree Planted](#).

“Every time a guest chooses to stay at an SCP Hotel, not only do they get to enjoy SCP’s exceptional service, amenities and bohemian vibe, they also are consciously choosing to join a community that is driving positive change in the world around us,” said Soul Community Planet Co-Founder and CEO Ken Cruse.

SCP, a Holistic Hospitality company, is founded on the core values of wellness (Soul), kindness (Community) and sustainability (Planet). As a new company, which today has just three hotels, SCP’s guests have already planted nearly 25,000 trees through its partnership with One Tree Planted, supported WE Charities through the sale of ME to WE products in its Provisions markets and supported hundreds of in-need families with children battling life-threatening illnesses through Miracles For Kids.

“Miracles For Kids is honored to be partnering with such an intentional organization dedicated to affecting positive change for both individuals and the community,” said Miracles For Kids Co-Founder and CEO Autumn Strier. “SCP’s Every Stay Does Good program aligns directly with our mission and values, helping struggling families with critically-ill children keep the lights on and the bills paid.”

Today's announcement expands on SCP's commitment to its values and advances the pillars of its ethos through local partnerships, providing things such as fresh produce and ethically farmed meats; mindfulness and yoga classes featuring local experts, coworking space and its Fair Trade Pricing offer. SCP also works to ensure each stay is good for the planet by eliminating single use plastic bottles and plastic shower amenities, extensively using eco-friendly materials in its renovations, and incorporating new energy-efficient systems and solar power.

"Soul Community Planet is for people who believe in the power of healthy living, kindness toward others and compassion for the planet," Cruse added. "While SCP is comprised of attractively priced, eco-friendly places for guests to stay, work, or dine, the true heart of SCP is the sense of purpose we share with our SCP community. This is the foundation of what we call Holistic Hospitality."

#### **About WE**

WE is made up of a family of organizations that make doing good, doable, including WE Charity, empowering domestic and international change and ME to WE, a social enterprise that creates socially conscious products and experiences to help support the charity.

WE engages 4.2 million young people each year across North America and beyond through its free, yearlong service-learning program WE Schools. Designed to enhance a school or community's existing social initiatives or spark new ones, WE Schools provides teachers with educational resources and action campaigns to encourage students to further their curricular learning and develop social and emotional skills to succeed beyond the classroom. WE Schools operates in over 18,000 schools and is proven to increase academic engagement, civic engagement and college and workplace readiness.

Moreover, programs such as WE Well-being empower youth, educators and families with tools and resources to promote their own mental well-being and the well-being of their community.

WE enables youth and families to better the world—supporting 7,200+ local and global causes by volunteering millions of hours of service and raising millions of dollars that directly benefit their local communities and the world.

**About Miracles For Kids**

Miracles For Kids is one of the only organizations on the West Coast providing monthly financial assistance, subsidized housing, mental health services and wellness activities to families with a critically-ill child. The services help to create stability when families are crumbling from the financial and emotional devastation of fighting for their child's life. Founded in 2002, Miracles For Kids has a main office in Tustin, Calif., and a subsidized housing complex, Miracle Manor, in Orange, Calif. To learn more about how Miracles For Kids has joined forces with parents and loved ones, visit [www.miraclesforkids.org](http://www.miraclesforkids.org).

**About One Tree Planted**

One Tree Planted is a non-profit environmental charity on a mission of global reforestation. Through their partnerships with the U.S. Forest Service, U.S. State Forest and Conservation District, they plant trees around the globe, including several states in the US - California, Colorado, Florida and Oregon.
