## Make Holiday Miracles

**YOU can make a difference this holiday!** Help Miracles for Kids with the 2021 Holiday Basket of Miracles - a delivery program taking place Dec. 7th - 11th, that provides food, seasonal gifts and household necessities to families struggling to survive as a result of caring for their critically-ill child.

### Adopt A FAMILY IN NEED – IN-PERSON OR REMOTELY

Get matched with a family (or families!) and receive their story and wish list with interests and likes. Then shop for your adopted family to ensure each family member will have something for the holidays! You can opt to wrap their gifts and deliver to them too. Minimum gift per person is \$25, average family is 4 people.

### Host A GIFT DRIVE

Collect unwrapped gifts for critically-ill kids and their families in need. Collection boxes will be provided. Drives must be completed and delivered to the Miracles for Kids office no later than **Wednesday, December 1st** (Mon. - Thu. 8:30am - 4pm).
