

Make Holiday Miracles

Support **THE HOLIDAY BASKET OF MIRACLES PROGRAM**

You can make a difference this holiday season! Help Miracles for Kids with the 2017 Holiday Basket of Miracles - a delivery program that provides food, seasonal gifts and household necessities to families struggling to survive as a result of caring for their child battling a life-threatening illness.

Adopt **A FAMILY IN NEED**

Help make the Holidays special for an entire family with:

- New, unwrapped gift(s) for each child
- Gift card(s) for parents
- Wrapping paper, ribbon, and gift tags (optional)

Your commitment:

- Procure gifts: An average gift is \$25-75 per person; average family is 5 people, or \$125-\$375
- Deliver gifts and any other items to the Miracles for Kids office

**If you wish to give more, please spread your generosity by adopting multiple families.*
