

Miracles for Kids Honors the Impact of Its Women Leaders

Raising nearly \$220k, 360° Miracle is a growing network of compassionate women trailblazing their way to provide stability for families in crisis

Irvine, CA – (March 4, 2022): During Women’s History Month, [Miracles for Kids](#) recognizes the impact women are making, individually and collectively, through its [360° Miracle](#) network. Launched by eight founding members in July of 2020, at the start of the pandemic, 360° Miracle now embraces 175+ members. Spearheaded by Community Engagement Manager Robyn Williams, the program epitomizes women empowering other women to make an impact and “be the miracle” for vulnerable families.

Since 2002, **Miracles for Kids** has helped families of critically-ill children fight bankruptcy, hunger and depression so they can fight for their kids’ lives. Together, 360° Miracle Circle groups have raised over \$170,000, with 100% going directly to relief efforts. These funds help to provide stability for families by covering essential bills, such as rent, mortgage, and utilities. They also serve to expand the organization’s Wellness Program, which provides access to vital social and mental health resources.

“When you join 360° Miracle, you’ll not only change lives, you’ll also expand your network and connect with like-minded women committed to making a difference,” says Williams.

Here’s how to join the movement of women creating a lasting impact:

- **Attend or host a 360° Miracle Circle** in your area and share this life-changing opportunity. Invite other women to hear first-hand stories from families who benefited from the group’s efforts and to “be the miracle” with a contribution of either \$83.33 monthly or \$1,000 annually. Browse upcoming events and current groups online, along with details on hosting a local event.
- **Join an existing circle, start one of your own, or become part of the 360° Miracle Family Circle**, joining many others who are committed to supporting families in crisis.

360° Miracle will celebrate Women’s History Month with a special ‘Making Miracles at McClain’ event, hosted at **Miracles for Kids’** Corporate Partner, McClain Cellars’ Laguna Beach Tasting Lounge, on Wednesday, March 23rd at 6pm. Women can make an impact during Women’s History Month by joining a growing network of compassionate women dedicated to providing stability for low-income families fighting for their child’s life.
