WE DO
BETTER TOGETHER

Since 2002, Miracles for Kids helped 1,500+ families with critically-ill children battle bankruptcy, homelessness, hunger & depression - so they can concentrate on what's most important, fighting for their child's life. As one of the only organizations on the West Coast dedicated to alleviating these stresses, we need to do more.

PAY THE BILLS

Expenses don't stop when a tragedy hits. Miracles for Kids help keep the lights on, the water running, and bills paid.

A PLACE TO CALL HOME

Families in crisis can get overwhelmed by housing costs, Miracle Manor helps relieve that burden.

HEAL

Miracles for Kids has a holistic approach to healing families, from counseling to outdoor activities, and more.

FEED & CLOTHE

Getting basic necessities can be a challenge for families in crisis. Miracles for Kids help get them the essentials they need.

MIRACLE MANOR

Miracle Manor is a safe, affordable long-term housing option for 12 families, located around the corner from CHOC Children's Hospital. It is more than just room and board. It's a community of families who all lean on one another for support.
