Miracles #KIDS

Since 2002, we've helped 2,700⁺ families with critically-ill children battle bankruptcy, homelessness, hunger & depression - so they can concentrate on what's most important, fighting for their child's life.

As one of the only organizations on the West Coast dedicated to alleviating these stresses, we need to do more.

TOGETHER WE HELP:

Lifeline

Expenses don't stop when tragedy hits. We help keep the lights on, the water running and so much more.

Safe Haven

No family fighting for their child's life should wonder where they will sleep. We help relieve this burden.

Balance

We have a holistic approach to healing families, from counseling to outdoor activities and more.

Boost

Getting basic necessities can be a challenge for families in crisis, so we help them get the essentials.

Pillars

Access to higher education, financial literacy, and employment support for long-term stability.

YOU CAN BE THE MIRACLE:

DONATE to help a family in need right now. | VOLUNTEER your time and talent to Team Miracles. | CELEBRATE by joining us at one of our marquee events. | PARTNER with us through a variety of customizable and creative opportunities.
