Since Miracles for Kids’ launch in 2004, your support has helped us make miracles for 1,000+ families in need with critically-ill children. THANK YOU!

OVER A DECADE OF MIRACLES - HOW IT ALL STARTED

Miracles for Kids began as the employee contribution fund of an Orange County, CA based mortgage company with the purpose of raising funds to support research to find a cure for pediatric cancer. Launched in 1998 as The Breeze Fund, the mortgage company was successful in raising significant funds for research. In 2002, the company’s owners, Curtis Green and Len Hamilton, filed for tax-exempt status under the name Mortgage Miracles for Kids, hoping to have a greater impact with their donations. Mortgage Miracles for Kids remained an internal fundraising effort of the company until 2004 when, under the leadership of Co-founder and current Co-Founder & CEO, Autumn Strier, Miracles for Kids launched as an independent non-profit organization, with a new mission to provide aid to low-income families struggling to survive while their child is in treatment for a life-threatening illness.

A NOTE FROM THE CO-FOUNDER & CEO

Dear Cherished Supporter,

It is with our humblest gratitude that we present to you our 2015 Annual Report, sharing the many miracles we were able to create – thanks to your support - for the hundreds of critically-ill children in our community, and their families, who needed our help.

We had many goals as we began the year - from reducing our waitlist of families in need of financial aid, to launching therapy programs for those dealing with depression and anxiety, to expanding food and basic needs deliveries to help with the day to day expenses for those we served. We are proud to say that we achieved these goals, and so much more, reaching more families with children in need. And importantly, we did it with 85 cents of every dollar committed to our programs. In addition, this past year we were also able to complete renovation of our first housing complex – Miracle Manor – creating a desperately needed affordable housing solution for families at risk for homelessness in our communities.

Each of these goals is only possible because of you – our beloved donors, volunteers, partners and friends – and we are forever grateful for your generosity that has helped to create miracles, both big and little, for those who need us most.

On behalf of the entire Miracles for Kids family, thank you for all you do to help make miracles for kids.

With sincerest gratitude,

Autumn R. Strier
Co-Founder & CEO

2015 MIRACLES HIGHLIGHTS

CHOC CHILDREN’S CHARLIE HESTER AWARD
April 2015
Awarded the 2015 CHOC Children’s Foundation Charley Hester Award for Outstanding Organization.

SEWING MIRACLES
May 2015
Brought the Joyful Foundation into the Miracles for Kids family, adding the delivery of lovingly handmade blankets - called “Cozies” - to the list of needed services.

BACK-TO-SCHOOL MIRACLES
August 2015
Assembled and distributed 400 backpacks filled with healthy snacks and school supplies through the Back-to-School Basket of Miracles Program.

THE MIRACLE OF MUSIC
October 2015
Raised over $975k with 650+ guests at the Annual Night of Miracles Gala to benefit Core Programs.

#BETHEMIRACLE
December 2015
Launched inaugural year-end giving campaign to raise awareness.

SPRING MIRACLES
April 2015
Delivered fresh produce, home goods, cleaning supplies and spring-themed goodies to nearly 200 low-income families with critically-ill children through the Spring Basket of Miracles Program.

LARGEST SURF & PADDLE CAMP TO DATE
Summer 2015
Held the largest Surf & Paddle Camp Program to date with 342 patients and their siblings surfing, paddling and enjoying beach activities.

HOLIDAY CHEER
December 2015
Gifted 900+ people a Holiday Basket of Miracles, which included food, warm winter clothing, Christmas trees, wrapped gifts and more.

MIRACLE MANOR
December 2014
Secured Miracles for Kids’ first affordable housing complex for families in need of shelter.

MIRACLE MANOR
December 2015
Completed Phase 1 renovations and moved the first 5 families into Miracle Manor - just in time for the Holidays!

Completed Phase 1 renovations and moved the first 5 families into Miracle Manor - just in time for the Holidays!
Miracles for Kids provides financial aid, food, housing, clothing and other basic necessities, as well as emotional and holistic support, to hundreds of critically-ill children and their families in need each year. In 2015, the organization assisted nearly 250 families who, as a result of their critically-ill child, were struggling to make ends meet. Many lived in poverty, calling a garage a home and unable to put food on the table. The 1,089 individuals served include critically-ill children and their siblings, parents/caregivers and other family members directly impacted by their child’s fight to survive. Together, they make up these 2015 demographics:

**Gender**
- 47% Male
- 53% Female

**Race**
- 1% American Indian / Alaskan Native
- 4% Asian
- 5% Black / African American
- 75% Hispanic / Latino
- 9% White
- 4% Two + Races
- 1% Other

**Age**
- 16% Ages 0-6
- 13% Ages 18-24
- 18% Ages 25-39
- 19% Ages 40-64
- 34% Ages 7-17
- Less than 1% Ages 65+

*A includes all family members.

**A MISSION TO SERVE THOSE WHO NEED IT MOST**

At birth, Thomas was diagnosed with Hypoplastic Left Heart Syndrome - a rare heart defect where the left side of the heart is underdeveloped, making it unable to pump blood to the rest of the body. He was also diagnosed with Congenital Heart Disease (CHD), a condition where there are severe structural heart issues at birth - such as holes, leaky or clogged valves, or poor connections with blood vessels.

As a result of his condition, Thomas spent his first three months of life in CHOC Children's. At just two days old, he underwent open heart surgery and to date, he has undergone four additional heart surgeries.

Thom’s dad spends the majority of his time caring for Thomas and taking him to and from his many doctor’s appointments. He is currently unemployed and searching for work that will still allow him to care for Thomas. Thom’s mom is currently enrolled in classes to assist in finding a job that will provide a steady income for her family. Every day they fight to make ends meet.

In 2015, thanks to supporters like you, Miracles for Kids was able to help the Clement family through the Grant, Fund-a-Family, Basket of Miracles and Closet of Miracles programs.

With the family’s financial stress alleviated, they are able to better focus on Thomas’ treatment. The family says they are very thankful for all of the support they have received during this difficult time in their lives.
In 2015, your support helped Miracles for Kids serve children battling 57+ different types of illnesses including cancers, blood-based diseases and other rare, life-threatening conditions.

**CHILDREN FIGHTING TO SURVIVE**

In 2015, your support helped Miracles for Kids serve children battles 57+ different types of illnesses including cancers, blood-based diseases and other rare, life-threatening conditions.
As part of the Miracles for Kids mission, you’ve helped support families through the joy and hope of remission, and the heartbreak of loss.

JAVIER HERNANDEZ FALLEN ANGEL

At age 14, Javier was diagnosed with ALL, a type of cancer in which the bone marrow overproduces white blood cells, leading to infection and anemia. He was admitted to CHOC Children’s for six months, then again for three months, and then was required to visit the hospital daily for treatment.

Javier’s mom, Josselin, was the family’s sole provider while her husband stayed home to care for their three children. They owned a party supply business, but a month after Javier’s diagnosis, it was shut down because they could not afford to pay rent. Both parents were unable to find work that would allow them to make Javier’s daily treatments and care for their other two children. Eventually, his parents decided it was better to separate in October 2015. Josselin and the kids lived at the Ronald McDonald House for two months while Javier was admitted to CHOC. Javier felt like everything happening to his family was his fault.

Their social worker reached out to Miracles for Kids and they were admitted into the Grant Program to receive assistance with rent, groceries, and car payments. Through the Fund-a-Family Program they were matched to a generous corporate donor, Luther Burbank Savings, who helped to alleviate their financial stress. As part of the Basket of Miracles Program, they also received deliveries of food, home goods, and other basic necessities to help keep their costs low.

In November 2015, doctors told Josselin that the cancer had taken over Javier’s body and there was not much that could be done. She decided that was enough; she wanted her son to be happy, without pain and worry-free.

In December 2015, the family was among the first to move into Miracle Manor – a much-needed housing solution. Javier was beyond excited to have a stable place to call home.

Once at Miracle Manor, Josselin could focus on making her son’s last days happy and comfortable. With the help of a Miracles for Kids donor and Little Red Dog, she was able to surprise Javier with a puppy. Kitchen Table Marketing, a Miracles for Kids Partner, arranged to fulfill the family’s last wish as well – a day at Disneyland!

On January 12, 2016, Javier ended his battle with cancer at 15 years old. His life was celebrated with a family memorial at Miracle Manor, and Miracles for Kids is honored to have been touched by such a warrior.
SERVICE THROUGH OUR PROGRAMS

CORE PROGRAMS: Grant Program, Basket of Miracles, Fund-a-Family, Closet of Miracles, Miracle Manor

WELLNESS PROGRAMS: Familycare, Surf & Paddle Camp, Cozies, Health & Wellness Therapy

SOPHIA PEREZ
Birthday: 7/16/13
Diagnosis: Rhabdomyosarcoma
Date Diagnosed: 7/31/13
City: Anaheim, CA
The Miracles for Kids Grant Program provides monthly financial aid to low-income families who, as a result of their critically-ill child, struggle to fulfill basic financial obligations while their child is in treatment. The Grant Program funds basic expenses such as housing, transportation, insurance co-payments, physicians’ bills, funeral costs and many other needs. It is an application-based program, with initial screenings and referrals provided by social services representatives at affiliated children’s hospitals.

Since the Grant Program’s launch in 2005, Miracles for Kids has provided aid to 1,000+ families with children battling life-threatening illnesses.

2015 Grant Program Highlights:

Served 175 families

Distributed $540,500+ in 2015 financial aid grants

Enrolled 63 new families in need

"Miracles for Kids’ Grant Program has been a tremendous blessing to my little family. It has not only been a lifeline, but has also been our only line. The Grant Program blesses so many families at a time when most of us feel defeated and forgotten. The truth is we are part of a team that no one willingly signs up for. Our new normal is hard and at times shakes me to my core. My kids and I thank God every single day for our ‘miracle.’ Without your program I honestly don’t know where we would be.

- Amanda DeFour
Grant Program Recipient and Mother of Anaya Green, born August 9, 2008; diagnosed with Stage 4 Neuroblastoma"
BASKET OF MIRACLES

Basic Necessities

The Basket of Miracles Program delivers fresh/frozen, dry and canned food and other goods, as well as cleaning supplies, household necessities and seasonal gifts to families’ homes throughout the year. The Program operates during the three primary holiday seasons and the beginning of the school year.

SPRING BASKET OF MIRACLES

198 families / 835 individuals served
147 volunteers

BACK-TO-SCHOOL BASKET OF MIRACLES

201 families / 530 individuals served
165 volunteers

THANKSGIVING BASKET OF MIRACLES

206 families / 913 individuals served
80 volunteers

HOLIDAY BASKET OF MIRACLES

208 families / 942 individuals served
259 volunteers
154 families adopted through Adopt-a-Family
20 Christmas trees delivered

www.miraclesforkids.org
The Fund-a-Family Program is a donor-to-family matching program, providing the opportunity to support one child and their family on a continual basis. This Program is for donors wishing to create a more personal connection through their support. Each match, and the extent of the support, is tailored to the donor and the recipient family’s wishes. Many donors choose to provide ongoing rental support, pay for food, gas or other bills, or provide assistance with more specific needs such as childcare costs or insurance payments. In some cases, donors have the opportunity to correspond directly with the recipient family through letters or email and/or meet them directly.

In 2015, Fund-a-Family made 31 donor to family matches.

Melyssa Sayong (pictured)

The Closet of Miracles is a no-cost resource of gently-used clothing, shoes and household supplies for families in need. A variety of individual donors helped keep the Closet of Miracles full in 2015 for the nearly 25 families regularly participating in the program. These families were most commonly in need of young children’s clothing.

In 2015, approximately 15,452 people were homeless in Orange County, 13% of these families included children.*

Thanks to the extraordinary support of Ashmore Construction, BrightView, IREM, HomeAid and 65+ companies in the community, in December 2015, Miracles for Kids began operation of its first shelter program through the acquisition and renovation of an existing 28,000 square foot, 12-unit apartment complex in Orange, CA. Named Miracle Manor and located 0.6 miles from CHOC Children’s, the complex provides families with independent living quarters and a warm community environment during their child’s treatment for a life-threatening illness. It serves families who have become increasingly financially unstable as a result of providing care for their child, who require close proximity to CHOC Children’s, and who are at risk for being homeless.

Phase 1 of renovations were completed in December 2015, making it possible for 5 Miracles for Kids families to move in to Miracle Manor in time for the Holidays!

According to Orange County’s 2015 Homeless Count & Survey Report
Miracles for Kids’ Surf & Paddle Day Camp Program provides the opportunity for critically-ill children and their siblings to participate in surfing and stand up paddle activities under the guidance of expert instructors. The Program aims to create a positive learning experience and a long-lasting impact on the children by providing a fun-filled and cost-free summer day camp.

Patients and their siblings attended the Camp

Corporate and community partners helped make the cost-free Camp possible

Beach locations throughout Southern California

In 2015, Familycare provided ongoing medical care to 20 families / 40 individuals.

Familycare provides uninsured Grant Program families with direct and immediate access to high-end medical care while their child is undergoing treatment for a life-threatening illness – all at no cost to the family.

Since 2011, Familycare has operated in partnership with Newport-based PersonalCare Physicians to give patient’s household family members access to leading physicians and support staff, available 24 hours a day, seven days a week. This includes primary intake services, same day appointments and on-call support in times of emergency. In addition to primary care services, PersonalCare Physicians also offers referral services when a specialist is needed and works to assist the family in securing services for one year.

In 2015, Familycare provided ongoing medical care to 20 families / 40 individuals.
Through the Miracles for Kids Cozies Program, Miracles for Kids provides handmade blankets and other comfort objects to patients and family members in need of warmth. The handmade Cozy Blankets are sewn at the Miracles for Kids Workshop in old-town Tustin, CA.

The fleece blankets, handmade each week by groups of dedicated volunteers, are packaged and delivered to patients at hospitals, care centers and private homes throughout Southern California and beyond. Since 2012 as part of the Joyful Foundation, over 20,000 blankets have been made and delivered with love to those in need.

2015: COZIES HIGHLIGHTS

29 hospitals across the country received Cozies
50+ weekly volunteers
1,097 Cozies given to Miracles for Kids families
57,600+ volunteer hours
12,300+ yards of fleece

Each Cozy is lovingly handcrafted by at least 10 volunteers during the blanket making process!

Zero-waste Policy: Trimmed blanket edges are repurposed into dog toys and beds.

Longest Distance Volunteer: Virgina lives in Indiana, but flies back to sew Cozies every winter. This is her 5th year volunteering; and she just celebrated her 90th birthday!

HEALTH & WELLNESS THERAPY
Counseling Pilot Program

In October 2015, Miracles for Kids launched a Health & Wellness Therapy Pilot Program with the goal of reducing depression and anxiety symptoms among parents, siblings and other caregivers of critically-ill children by teaching tangible, stress reducing techniques. As Miracles for Kids’ patients are three times more likely to experience symptoms of depression as a result of a life-threatening diagnosis, this Program aims to address this growing need for psychosocial care.

During the Phase 1 Pilot, weekly therapy sessions were provided to 9 clients, including parents and patients at CHOC Children’s and CHLA. 100 percent of clients participating in the sessions reported a decrease in anxiety, while 88+ also reported a decrease in depression.
Each year, Miracles for Kids raises funds for Core Programs to help provide critically-needed support to the families served. Key to Miracles for Kids’ fundraising is the ability to successfully host signature events that raise awareness of important issues in the community. Miracles for Kids is honored to have the community’s continued support of these meaningful events.

MADELYN BARAJAS
Birthday: 11/18/04
Diagnosis: Congenital Heart Disease; DiGeorge Syndrome
Date Diagnosed: 11/18/04
City: Ontario, CA
The 2015 Night of Miracles was an evening encased in the vibrancy of vocal and instrumental sounds, dedicated to raising funds for children battling a life-threatening illness and the families who care for them. Guests enjoyed a lively cocktail reception with a premier silent auction. Immediately following, an elegant dinner program featured incredible live auction items, an opportunity drawing for a diamond bangle from event sponsor Martin Katz valued at $28,000, savory cuisine, fine wines provided by wine sponsor Hundred Acre, spirits donated by Nolet Spirits USA and Duke Bourbon, and live musical performances by Miracles for Kids supporters Kenny “Babyface” Edmonds, 11-time Grammy award winning singer, songwriter and producer; Sean Jones, Juno award winning soul sensation; and Taylor Carol, local Leukemia survivor, Harvard University student, Miracles for Kids Youth Ambassador and singer/songwriter. Thanks to the 650+ guests in attendance and 100+ dedicated volunteers, the evening successfully raised $975,000+!

NIGHT OF MIRACLES GALA: THE MIRACLE OF MUSIC
October 10, 2015 - The St. Regis Resort Dana Point, CA

In June 2015, Miracles for Kids was proud to be a sixth year lead charitable partner with the Stars & Stripes Tournament, a world-class golf, fishing, and music festival. Since 1997, the Tournament has raised $20+ million for select children’s charities by combining spectacular deep sea fishing and golf on Mexico’s finest courses with beautiful accommodations and top-notch musical entertainment. The 2015 Tournament hosted over 600 people, 80% of which came from Orange County, and raised a record-breaking amount of $2.8 million. Miracles for Kids was proud to partner with other leading children’s charities toward the success of this event, including Big Brothers Big Sisters of Orange County, CASA (Court Appointed Special Advocates) of Orange County, HomeAid Orange County, and Orangewood Children’s Foundation.

Over the last six years, Miracles for Kids has brought 13 children and their loved ones to Cabo San Lucas as Angel Flight recipients, thanks to our many corporate sponsors.

2015 ANGEL FLIGHT FAMILIES:
Milissa Sapronetti (pictured right)
1 year old, diagnosed with Total Anomalous Pulmonary Venous Return (TAPVR) in January 2015

Madeline Sutton
5 years old, diagnosed with Acute Lymphoblastic Leukemia in June 2012
Miracles for Kids was honored to be the 2015 charitable beneficiary of the Huntington Beach Police Officers’ Foundation 9th Annual Constable Classic Charity Golf Tournament. The Tournament featured a day of golf, prizes, a golf ball drop, and silent and live auctions. In addition, local restaurants participated in The Constable Classic’s Taste of Orange County by providing delicious food on the course and dinner at the 19th Hole. The Tournament drew 150+ participants and, with the help of 30+ event volunteers, raised $44,000 for Miracles for Kids.

The Orange County Trial Lawyers Association (OCTLA) celebrated the Top Gun Trial Lawyer of the Year Awards, while dedicating the evening’s proceeds to Miracles for Kids’ Miracle Manor, a 12-unit apartment complex that provides affordable housing to Miracles for Kids families. Through silent and live auctions and a cash match, the 300+ guests raised $100,000+ for Miracles for Kids, which provided critical funding needed for Miracle Manor.

Through your support of Miracles for Kids in the community, numerous local events in 2015 raised significant funds and awareness to help critically-ill children and families in need.
M4KIDS SCHOOL CLUBS
Inspiring Tomorrow’s Philanthropists

M4Kids School Clubs are student-sanctioned groups that provide the opportunity for students of all ages to organize events and gather their peers in support of Miracles for Kids’ mission. Club members significantly impact Miracles for Kids’ families and their communities, as well as gain responsibility, insight, maturity, and memories that inspire them to continue community service throughout their lives. In 2015, M4Kids School Club involvement included:

• Holding Classroom Contests: Classrooms competed to collect donations of toys, canned goods, school supplies, and other needed items

• Donating: Clubs hosted school-wide clothing and food drives

• Volunteering: Club members volunteered at many programs and events, such as Basket of Miracles, Surf & Paddle Camp and the Night of Miracles Gala

• Fundraising: Clubs helped raise funds through bake sales, car washes, Give Back Nights, benefit shows, and selling Miracles for Kids Cozies at school events

• Adopting Families in Need: Clubs adopted a Miracles for Kids Family to support for the entire year

In 2015, M4Kids Clubs were established by 250+ student members at 12 schools: Corona del Mar High School, Foothill Ranch High School, Jserra Catholic High School, Laguna Beach High School, Laguna Hills High School, Los Alamitos High School, Mater Dei, Orange County School of the Arts, Santa Margarita Catholic High School, St. Anne School, St. Joseph’s School and St. Margaret’s Episcopal School.

CORPORATE PARTNERSHIPS

Miracles for Kids partners with companies and other organizations in the community on corporate giving programs that have included Add-a-Miracle, employee giving, inter-office fundraising and employee volunteer events. All corporate partnerships are tailored to fit the culture and needs of each organization.

JAVIER’S EMPLOYEE CONTRIBUTION PROGRAM

As a long-time supporter and corporate partner of Miracles for Kids, Javier’s established an Employee Contribution Program in which all employees had the opportunity to automatically donate a portion of their paychecks to Miracles for Kids. An informative kick-off event was held, allowing all employees to connect with and learn more about Miracles for Kids and its mission. Employees signed up for the program through their payroll system, and contributed anywhere from $1 to $100+ dollars per paycheck. In 2015, nearly 100 employees participated in the Employee Contribution Program, donating $12,800+ to support Miracles for Kids!

PUBLIC SAFETY PARTNERSHIPS

Police and Fire Associations across Orange County have joined Miracles for Kids in the Public Safety Partnership Program. Through a shared passion and dedication for children, Miracles for Kids formed relationships with associations committed to improving the lives of children with life-threatening illnesses. Public Safety Partners help by donating funds, volunteering and raising awareness. In 2015, Public Safety Partners attended the Surf & Paddle Camps, volunteered at events, and collected donations for the Basket of Miracles Program.

In 2015, Public Safety partners included the Anaheim Police Association, Dana Point Fire Department, Huntington Beach Fire Department, Huntington Beach Police Officers Association, Laguna Beach Police Association, New Equity Productions, Newport Beach Fire Department, and Newport Beach Police Association.
Financial strength and revenue growth through diverse funding sources enables Miracles for Kids to do more for the critically-ill children and their low-income families who need it most.

“Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has.”
- Margaret Mead
If you find it in your heart to care for somebody else, you will have succeeded.

― Maya Angelou

From what we get, we can make a living; what we give, however, makes a life.

― Arthur Ashe
How wonderful that no one need wait a single moment to improve the world.

― Anne Frank
