

# OC CHARITY SCENE >> THE BUSINESS OF GIVING

## Through Strength, Perseverance, and the Power of Community, Miracles Are Made

Irvine-based nonprofit, Miracles for Kids held the 17th Annual Night of Miracles, safely bringing together nearly 400 guests. Their strength and generosity helped raise a record-breaking \$3 million to benefit critically-ill children and families in extreme crisis. Thanks to 50+ sponsors & underwriters and 40+ volunteers, the exciting evening was an inspiration to all who attended.

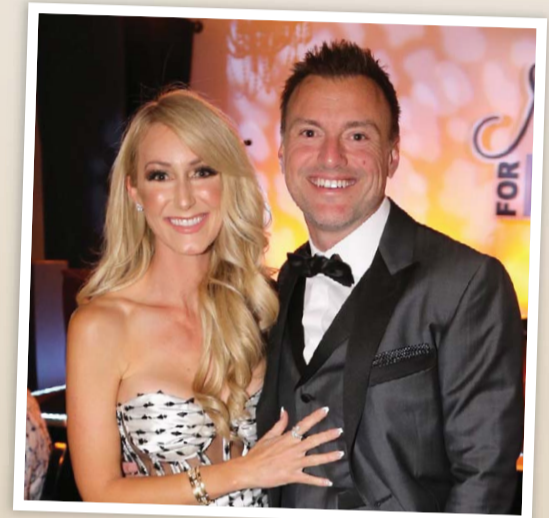

This inspirational evening was hosted at the Ritz-Carlton Laguna Niguel, and safely brought together nearly 400 supporters. The 2021 theme, Strength of a Miracle, celebrated the strength of the children and families that Miracles for Kids serves and honored those in the community who stood by them when in need.

TRAFK CEO, Anthony Trimino, was named the 2021 Miracle Maker Honoree for his support and dedication of the vast resources of his company to benefit the organization for over a decade.

The Children's Wellness Garden Club, consisting of a group of high school students, was named this year's Champion of Children Honoree, for generously providing 250+ volunteer hours to transform Miracles for Kids' outdoor area into a Certified Wildlife Habitat for children and families to enjoy during therapy and social skills sessions.
