

Help Provide  
the Items They  
Need to Survive.  
#BeTheMiracle

## Host an Online Fundraiser

to benefit our community's most vulnerable critically-ill children and families in desperate need as they battle the combined impact of a life-threatening illness, a devastated economy and the effect of COVID-19 on their already compromised immune systems.

### Start Your Fundraiser

Create an online fundraiser at [miraclesforkids.org/sbom](https://miraclesforkids.org/sbom) or on Facebook to ask for donations in support of items most needed by families in need: non-toxic cleaning supplies, paper products, home goods and toiletries.

### Share It

Tell your colleagues, friends & family that you're helping critically-ill kids and their families during this stay-at-home order, and it's easy for them to join too! Share your fundraiser through emails, video chats, calls, texts and social media!

### Collect Donations

100% of all the funds you help raise will go directly to critically-ill kids and their families struggling to survive our world's current COVID-19 crisis.

**\$10** helps to provide non-toxic cleaning supplies

**\$20** helps to provide homeschooling essentials

**\$50** helps to provide gas and reliable transportation
