

Make Thanksgiving Miracles

You can make a difference this Thanksgiving! Help with the 2018 Thanksgiving Basket of Miracles - a delivery program that provides food and household necessities to 250+ families struggling to survive as a result of caring for their critically-ill child.

HOW YOU CAN Help:

- **Sponsor** a Thanksgiving meal for a family in need by donating \$50, \$75 or \$100
- **Host a drive** in your community, office, school or organization and help collect needed items
- **Volunteer** to assemble or deliver packages to families throughout Orange and LA Counties

Host A DRIVE:

Collect completed Thanksgiving Meal Packages for our families in need. Collection details will be provided upon sign up. You'll receive a collection box for your school or office. **Drive must be completed by November 7th** and packages should be returned to the Miracles for Kids office (Monday - Thursday 8:30am - 4:00pm).
