

CREATE VIRTUAL MESSAGES OF KINDNESS

for critically-ill children and families in need

YOU can inspire and connect with our community's most vulnerable critically-ill children and their families in need as they battle the combined impact of a critical illness, a devastated economy, and the effect of COVID-19 on an already compromised immune system.

Create an encouraging note, video, or drawing to remind them that they are not alone.

EMAIL your messages, scanned drawings, or videos to jdorman@miraclesforkids.org

TEXT your creations to (714) 290-9530

MAIL your handwritten notes or drawings to 17848 Sky Park Circle, Suite C Irvine, CA 92614

SHARE with @MiraclesForKids on Facebook, Twitter, Instagram or YouTube and use #MiraclesForKids #VirtualMiracles

YOUR MESSAGE OF KINDNESS

will be shared directly to our 300+ critically-ill children and their families in need during our upcoming Spring Basket of Miracles Program on April 4th.
